The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, California 90012

Dear Supervisors:

## REQUEST TO ACCEPT COMPROMISE OFFERS OF SETTLEMENT (ALL DISTRICTS AFFECTED - 3 VOTES)

IT IS RECOMMENDED THAT YOUR BOARD:

Authorize the Director of Health Services or his designee to accept the attached offers of compromise, pursuant to Section 1473 of the Health and Safety Code, to settle the following individual accounts for patients who received medical care at non-County facilities under the Trauma Center Service Agreement:

(1)	Account Number EMS 98	\$16,666
(2)	Account Number EMS 103	\$15,000
(3)	Account Number 95	\$12,000
(4)	Account Number IH1	\$11,000
(5)	Account Number EMS 92	\$6,300
(6)	Account Number EMS 97	\$3,800
(7)	Account Number IH4	\$3,500

### PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

The compromise offers of settlement for patient accounts (1) – (7) are recommended because the patients are unable to pay the full amount of charges and the compromise offers represent the maximum amount the Department will be able to receive under the tort settlements involved in these cases.

The County has entered in a number of agreements with non-County medical facilities under which it pays for trauma care provided to eligible indigent patients at those facilities. This agreement allows the County, after it has made payment for a particular patient, to pursue recovery from third parties, who are financially responsible for such trauma care.

The best interests of the County would be served by the approval of these compromises since it will enable DHS to maximize net recovery on these accounts.

### Implementation of Strategic Plan Goal:

The recommended action will satisfy County Strategic Plan Goal #4, Fiscal Responsibility.

FISCAL IMPACT/FINANCING:

This will expedite the County's recovery of trauma funds totaling \$68,266.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

On January 8, 2002 the Board approved an ordinance granting the Director of Health Services (Director) authority to reduce patient account liabilities when it is in the best interest of the County to do so. The ordinance was adopted by the Board on January 15, 2002.

On November 1, 2005, the Board approved a revised ordinance granting the Director authority to reduce, on an account specific basis, the amount of any liability owed to the County which relates to medical care provided by third parties for which the County is contractually obligated to pay, and related to which the County has subrogation or reimbursement rights. The revised ordinance was adopted by the Board on December 8, 2005.

Under County Code Chapter Section 2.76.046, the Director has the authority to reduce patient account liabilities by the greater of i) \$15,000, or ii) \$75,000 or 50% of the account balance, whichever is less. Any reduction exceeding the Director's authority requires Board approval.

The compromise of these accounts is not within the Director's authority, so the Director is requesting Board approval of these compromises.

CONTRACTING PROCESS:

Not applicable.

IMPACT ON CURRENT SERVICES (OR PROJECTS):

All payments received will replenish the Los Angeles County Trauma Fund.

When approved, DHS requires three signed copies of the Board's action.

Respectfully submitted,

Bruce A. Chernof, M.D.  
Director and Chief Medical Officer
